Greetings ZM Friends,
If 80% of students don't go to church then you go where they go! That place is the school system. Legacy Clubs are not threatening, they are packed with energy and passion and it's a message that is life changing. There's another group I call the "inoculated" who have gone to church their whole life and have bailed out of all church events. It becomes harder in a way for them to hear the message because they've already heard it so many times and have built constructs about what it means over the years. This group also needs rescuing and through friendship and discipleship they can return to the Lord. Our work is not easy but so rewarding because the results are eternal. That is where you come in by supporting our mission, praying for us, and financially giving to this cause. May God richly bless you!

Sponsor Cindy Smith sets up the Gaither HS Legacy Club as they pose for their yearbook photo. Over 350 attend this club!
