Greetings ZM Friends,

We have commenced school and our clubs are under way around the Tampa Bay Area. We just concluded four training sessions for student leaders and adult sponsors during the summer months. It was awesome! We had a good turnout of more than a hundred attending the sessions. We viewed three video segments of Focus on the Family's, "The Truth Project." The students wrote out their testimonies and shared them. We learned how to do a Bible study, how to share our faith, heard a message on Creation and Evolution, lessons on evangelism and a message from the Gideons who will be distributing Bibles in our schools through Legacy. We prayed and spent time planning future Legacy Club meetings for this fall. We became close friends and had great fellowship.

We have many youth pastors and adults who are helping out and a great bunch of teachers who act as our sponsors. Thank you for your prayers encouragement, and financial support of our ministry. We appreciate you very much.
