Greetings ZM Friends,

We thank God for the last three years of ministry with Zenon Ministries. We received faith that He was going to direct us to a needed mission field that needed Jesus Christ greatly. The opportunities to serve God in so many ways and totally rely on His provisions through his followers has increased our trust and commitment. This generation of youth is different than the previous one. Technology is so available that we think it normal today for our youth to be texting, studying, listening to music and carrying on a conversation with their parents all at the same time. How will all this impact the future of ministry and spirituality? The studies done recently paint a bleak picture for our youth and those raised in church. This makes our mission even more important as we are the only ministry in many of our schools. Every month more than 2000 students gather in outreach meetings, Bible studies, service projects, prayer and fellowship. "But thanks be to God that, though you used to be slaves to sin, you have come to obey from your heart the pattern of teaching that has now claimed your allegiance." **Romans 6:17**

Members of Grow Life Church Youth Ministry have been helping Legacy Clubs. They have ministered at Gaither, Wiregrass Ranch, Land O Lakes HS. and J. Long MS. (Gaither HS below)

Evangelist RV Brown prays with more than 100 students who came forward. They prayed for family, recommitment and salvation at our meeting at Steinbrenner HS.

Students at Wharton HS Legacy formed small groups according to grade and our leaders led.

Wharton HS, Legacy Club 200 students were divided into groups and our leaders led their groups, who asked 4 questions: Who is God to you? Is reading the Bible important to you? What is a Christian? How do you deal with temptation? Thanks to Wharton we have discovered an innovative way to reach students. Thanks Wharton Legacy!
