Greetings ZM friends,

This is the most exciting time of the year for our ministry. This past month I made 35 visits to our schools and had many conversations with students and adults. I have seen God work in amazing ways in our schools. Two young men at Blake HS have started their first ever Legacy Club. They signed up 87 students to a weekly Bible Study that one will lead. The Gideons have partnered with us to hand out more than 1200 Bibles to students in our inaugural meetings. At Wiregrass Ranch HS, students and Grow Life Church put together a two night event with music and messages to the attendees. At King HS we averaged 45 students last year and at our opening meeting 150 showed up. Many more will be added next meeting. Many of our schools also hold weekly Bible Studies before school and opening meetings averaged between 15-60 students per school. Last Wednesday students met at the flag pole to pray. It was an awesome site to see as fellow students come to school and see the commitment of these young Christians. Our first month of meetings more than 2300 students attended and there are more schools to be added. What does this say to us? That there is a new passion for Jesus Christ that is being expressed by our youth. Praise the Lord!

Wiregrass Ranch HS first meeting attracted more than 300 students. We concluded singing praises.

Students from King HS sign up new members. We went from 45 to 250 this year! What an improvement.

Youth Pastors from four churches attend our first meeting at Gaither HS. They are important to our success. We encourage students to join a church.

Student leader Brandon leads the first Legacy meeting at Blake HS. It is difficult to attract students to a new club but Brandon signed up 87 students. He is a freshman student!
